

Quotes

Provides:

This API provides quotes of the day from various categories such as “inspire”, “management”, “students”, and more!

Key Provisioning:

Pain factor (0=ezy...5=nightmare): 

- No key required for the free QOD API!
- Subscription required for the premium version 😞

Quotas:

- 10 requests/hour for the free version
-

The Good:

- Different categories for quotes of the day

The Bad:

- Limited to the free QOD
- Quotas

The Ugly:

- Requires a subscription to access desirable features and categories
